HOW TO USE BRED QR PAYMENT

1 - The QR scan payment option is available directly from the login page of BRED Connect. The option is also available from the home page as shown below.

HOW TO USE BRED QR PAYMENT

2 - The camera will turn on to allow you to scan the QR code.

You will also find your own QR code linked to your account if third parties were to transfer to you.

Note: You can save and import QR codes.

HOW TO USE BRED QR PAYMENT

IMPORTANT NOTE

QR code payments are only available for BRED customers and can only be used via Bred Vanuatu Connect app.

Partenered merchants will have QR stands at their counter and will be notified instantly by email & SMS for the payment confirmation.

However, you may want to show the cashier your transfer slip that will be displayed once you confirm payment.

HOW TO USE BRED QR PAYMENT

NOTIFICATION

Merchants will be notified instantly for the payment confirmation. You may show the cashier your transfer slip from your phone as well, in case the cashier has no linked device allowing him/her to check.

HOW TO USE BRED QR PAYMENT

After you validate your payment, a transfer slip will be displayed. This is what you may show the cashier if needed.

QR TRANSFERS

As individual customers, you can also do QR code transfers to other BRED customers.

You can scan in person or if you have someone's QR code saved in your device you may want to use the 'import' option.
