

BEWARE OF SCAMS

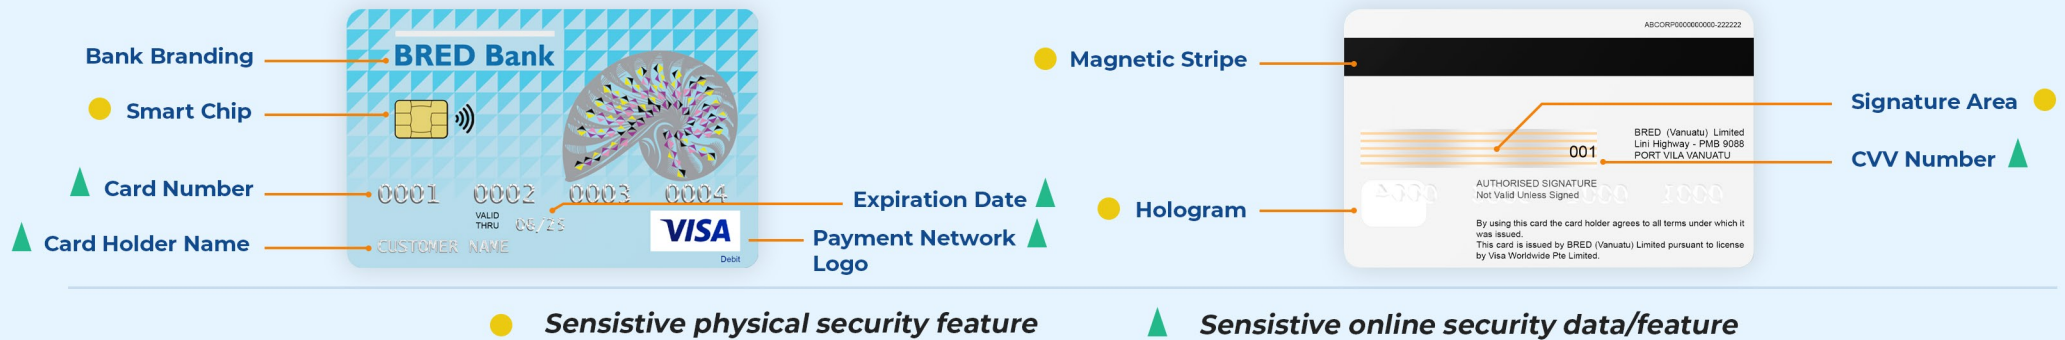

Social media scams | Phishing scams | Card thefts

Learn more about it and know the best practices to counter them.

BRED VISA CARD

Make it the safest and most reliable way to make payments

1 - WELCOME TO THE NETWORK OF SECURED PAYMENTS

2 - ADOPT THE RIGHT BEHAVIOR TO PROTECT YOUR VISA CARD FROM FRAUD

Social Media Scams

Investment scams, romance scams, fake prizes and giveaways through Facebook, Messenger, and any other social medias will try to trick you into revealing your VISA card and personal details.

Do not share your VISA card details to anyone.

Your VISA card is your personal data.

Phishing Scams

Email phishing and phishing websites trick you into divulging your VISA card and personal details.

Know your merchant/vendor when shopping online.

Check that the URL is correct.

Card Theft

Your card can be lost or stolen, and criminals can use it for contactless payments or online purchases.

Report to the Bank immediately.

Check your account statement daily.

3 - CONSEQUENCES OF A FRAUD

You can be found responsible for any loss of your own money.

You are responsible for potential lawsuits related to the use of your own money.

You are responsible for any reimbursement of funds deposited in your account by third parties.
